

Declaration of Mary Cardiff

I, Mary Cardiff, have personal knowledge of all facts set forth in this declaration and am competent to testify thereto if called upon to testify in a court of law. I hereby declare:

1. My name is Mary Cardiff and I reside at 6901 Pin Oak Ct, Fair Oaks, CA 95628 and have done so since 1969.
2. I am a utility customer of the SMUD, Sacramento Municipal Utility District.
3. After installation of the **SMUD Digital Electric Meter** it did not take much time to notice, much to my dismay, that while I was in my home I experienced:
 - a. **Tiredness** bordering on **exhaustion** and
 - b. **Irritability** and **agitation** that I had not had before.

These symptoms completely disappear after I leave the house to go to work from 8:00am to 4:30pm but completely return upon my arrival back home each day. There are other things manifesting themselves but these two were readily apparent from the very beginning of the meter's installation.

I declare under penalty of perjury under the laws of the State of California that the facts set forth above are true and correct to the best of my knowledge. This declaration was executed this 1st day of December 2012 at Fair Oaks, California.
